Only a Star

Stanza 1: After losing the first World War

Germany had a great debt

Hitler said Jews were the problem

And to the Aryan race,

They were a threat

Stanza 2: While books were being burned

And shop windows were being smashed

Their people now stood alone

Their dignity slashed

Stanza 3: No human rights for them

No more restaurants, parks or pools

Their people were kicked and abused

Less and less. Jewish Kids allowed at schools

Stanza 4: They thought Jewish blood wasn't pure

Thought Jews were bad for there ideal race

They ridiculed them till they'd cry

Now they nothing, not even a face

Stanza 5: They saw them only as a star

Then the thought of killing them came to mind

Off to camps, their people went and died

The rest of the world still one step behind

Stanza 6: It started with words

Then led to action

Six million people are gone

Due to the Nazi's cruel reactions
